# COMPANY PROFILE

Zhejiang Weihua Jujiu Technology Co., Ltd established in 2019, have a general investment of 320 million yuan and a plant area of more than 80000 square meters. It is a professional engaged in the research, development, sale and service of Household Cleaning Supplies, Entertainment Party Supplies, Car Care Supplies, Pet cleaner and care, Industrial supplies, and all kinds of Aerosol spray products and Water Aqua products. As a professional aerosol supplier, we have excellent teams who focus on product development & design, quality control & inspection and company running. We are located in Dongyang City with convenient transportation access. Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss your requirements and ensure full customer satisfaction. In addition, we have obtained Zhe Jiang Made, ISO 9001, ISO 14001, ISO 45001, SMETA Pillars 4 certificates. Selling well in all cities and provinces around China, our products are also exported to clients in such countries and regions as Southeast Asia, Middle East, South America. We also welcome O E M and O D M orders. Whether selecting a current product from our catalog or seeking engineering assistance for your application, you can talk to our customer service center about your sourcing requirements. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices. We warmly welcome customers from at home and abroad to cooperate with us for common success.
